### **Maid Brigade of West Chester Wins Maid Brigade “Top Gun” Award**

WEST CHESTER, Pa.—The Denlinger family, owners of Maid Brigade of West Chester, were honored with the Maid Brigade “Top Gun” award in recognition of the best overall business performance across all territory sizes and based on their high customer satisfaction rating and low employee turnover rates. The award was presented at the cleaning franchise leader’s annual convention on July 21 in New York City.

Since 1991, Maid Brigade of West Chester has provided the highest level of eco-friendly cleaning service to its customers. In recognition of that, The Denlingers’ Maid Brigade franchise has repeatedly been recognized for excellence by the Maid Brigade franchise family including previous Top Gun Award wins in 2005, 2007, 2008, and 2009 and as Maid Brigade Franchisee of the Year in 1997.

“We believe that this award is a tribute to our ‘it’s all about the customer approach.’ It really is a recognition of the amazing work our teams do in cleaning customer homes and in understanding what each of those customers wants and needs in a cleaning service,” says George Denlinger. “This is a family business and we are committed to being a valuable staple of the West Chester area community and the Maid Brigade family.”
